Help Make Rooksdown Even Better!

Join the Parish Council

There is a vacancy for a councillor on Rooksdown Parish Council.

Parish councils are the lowest tier of local government and allow residents a direct say in what happens in their local community. This is especially important where the community is changing as fast as Rooksdown. If you would like to help shape our community why not contact the Parish Clerk, Martin Whittaker, for a chat?

If you've already made your mind up and want to join us, phone or email Martin to get an application form. You need to complete this and send it back, by post or email, by **31 August 2018**.

You will need to be able to attend the Parish Council meeting on **24 September**. If we have more than one applicant the council will vote on who they think is most suitable. It would also be very useful if you could attend the meeting on **25 July** to see how things work.

You will need to be available to attend monthly Parish Council meetings and have access to email.
