

SAFEGUARDING POLICY

V1.0 adopted May 2018

Rooksdown Parish Council believes that it is always unacceptable for any person to experience abuse of any kind and recognises its responsibility to safeguard the welfare of all by a commitment to practice which protects them.

We recognise that:

- the welfare of all is paramount. Everyone regardless of age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership and pregnancy and maternity, have the right to equal protection from all types of harm or abuse
- working in partnership with all stakeholders is essential in promoting welfare.

The purpose of the policy:

- To provide protection for all who receive Rooksdown Parish Council services, including employees.
- To provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect someone may be experiencing, or be at risk of, harm.

This policy applies to all staff, Parish Councillors and members of the organising groups or users of community groups using the Rooksdown Parish Council facilities.

We will seek to safeguard children and young people by:

- valuing them, listening to and respecting them
- adopting safeguarding guidelines through procedures and a code of conduct for staff and volunteers
- recruiting staff and volunteers safely, ensuring all necessary checks are made
- sharing information about safeguarding and good practice with all staff and facilities users
- sharing information about concerns with agencies who need to know, and involving parents and children appropriately
- providing effective management for staff and volunteers through supervision, support and training.

We are committed to reviewing our policy and good practice yearly unless relevant statutes change at lesser intervals.
