Your application

Brief description of project or equipment required	<p>To purchase security items that we provide free of charge to victims and their families such as personal alarms and small security items for the home -dummy CCTV, window or door alarms to make people feel safer in their homes. These used to be funded via the Prisoner's Earnings Act however that funding has now ceased and, as this truly beneficial resource has such a positive impact on victim's recovery, we are seeking funding to continue this provision.</p>
Who will benefit?	<p>Any victim or witness can access our service.</p>
How many are Rooksdown residents?	<p>We are unable to provide exact statistical information for your parish, however in previous years we have supported an average of 222 Rooksdown residents and we would not expect this number to differ year on year.</p>

Expenditure and funding

Breakdown of expenditure	Item	Cost (£)		
Please attach suppliers' estimates or price lists where available	£100 could purchase 20 fake CCTV cameras, 62 window alarms, 42 door handle alarms or 55 segment timers that can help to make people feel safer in their homes. It could also purchase 62 personal alarms to aid victim's confidence to feel safer and find the strength to move forward after crime. This demonstrates what could be purchased but the final combination of items would be chosen to best reflect the needs of the victims we work with.			
Other funding applied for If you have applied for any other grants for this project	Date	Organisation	Amount applied for	Amount received
