

## Key changes to Allotment Rules v2.0

**5/10/2020**

Below are the main changes to the rules between v1 May 2019 and V2.1 October 2020:

1. General redrafting to tighten up the Rules, remove ambiguities and make them enforceable
2. Clause 1.1 Tenants must be residents of Rooksdown
3. 2.4 Buildings – there was a mistake in the previous version, where imperial and metric units were not consistent. Everything is changed to metric to prevent confusion
4. 3 Tightening up of eviction procedure
5. 3.2 Taking of deposit
6. 3.24.2 Return of deposit
7. 9.7 Not putting stones outside plots
