David Knights (DK)	✓
Jessica Lewis-Dalgarno (JLD)	✓
Scott Mason (SM)	✓
Nsima Udoh (NU)	✓

Also attending: Clerk Susan Turner; Guests: County Cllr Arun Mummalaneni; Ward Cllr Simon Bound, also representing Rooksdown Community Association.

2023.

79 WELCOME & APOLOGIES

Apologies received from Nsima Udoh, accepted by all.

Declaration of Office made and signed by Chairman (as not present at AGM). Signed and witnessed by Clerk.

- **DECLARATIONS OF INTEREST** in items on the Agenda, none.
- **81 MINUTES OF PREVIOUS MEETING** of 22 May 2023 AGM.

Agreed as a true record and signed by the Chairman.

- **PUBLIC SESSION** No members of the public present.
- **REPORTS TO THE MEETING** (15 minute session)
 - **Hospital update** Maria Miller MP is organising a 'Community Chat' update on the new hospital proposal in the Rooksdown Community Centre 06 July.
 - .2 | County Cllr Arun Mummalaneni full written report at APPENDIX I.

i Footbridge (White Bridge) lighting works

Works are going ahead as per plan. As per the officer, the pillar installation and connection is due imminently. Once all the control gear has been fitted, we can then move on to the installation of the LED handrail. See plan at **APPENDIX II**.

ii Surface water runoff

- 1. Underpass Following very intense flash rains, there was some runoff into the underpass but no sustained flooding. Councillor How alerted the Hampshire Bridges team, and in response the developer swiftly undertook cleaning measures. Hampshire engineering team will investigate by future monitoring at heavy rainfall periods.
- 2. A339 Discussion re historical flooding problem on section A339 just before it joins the roundabout leading to Ringway North and Ringway West **APPENDIX III**; a County issue which needs to be resolved. Squirrel Wood residents have drainage problems in their gardens water from the whole site drains to that corner. Noted in recent year the issue abated but now reoccurring.

<u>iii Police Update</u> CSPO (Community Safety Patrol Officer) has advised that they are in the process of procuring a new speed camera and providing additional training to officers. In addition the Office of the Police & Crime Commissioner (OPCC) has given assurance that come the next financial year, each Area will have a dedicated police officer assigned to address local concerns, thus providing a specific point of contact for community issues.

Re car meets – the importance of reporting car number plates was discussed, noting that Basingstoke is surrounded by cameras with numberplate recognition.

---------------	-----	-------	--

Squirrel Wood Noted that the development is nearing completion – everyone sensing the developer leaving. Relevant re sorting out issues, particularly drainage.

ACTION Chairman suggested meeting with the developer manager on site over the coming weeks.

- **K6 Phone Box** Permission sought and received from Simon Bound on behalf of the Land Trust for the Parish Council handyman to clear out and clean the phone box in response to concerns raised by residents. (Box is welded shut but the lower part of the box has open metal frames previously a plastic covering rather than glass panes.)
- **RCA / PC MEETING** of 13 June. Included discussion on future collaborative working, events and projects. Notes from the meeting circulated.

<u>i Summer Fair</u> Confirmed that unfortunately no Councillors available on the day. <u>ii Community Centre repairs</u> and replacing the floor – RCA advised no immediate urgency, but the sooner works done the better, and ideally before the point of urgency is reached. Confirmed that the Nursery had already asked if it could relocate to the school during the summer holidays and this not an option.

<u>iii Main Hall</u> Confirmed that this project is for the Parish Council to take forward.

85 COUNCILLOR VACANCIES

Vacancies to be advertised; an official Notice of Vacancy submitted to BDBC and posted on Parish Council website and noticeboards:

'A by-election to fill the vacancies will be held if, within 14 days (not counting a Saturday or Sunday) from the date of the Notice, 10 electors for the Parish give notice in writing claiming such an election to the [BDBC] returning officer.'

86 ROOKSDOWN REPORTER – SUMMER ISSUE

Previously agreed the Summer issue would not be published in time to advertise the Summer Fair. RCA to submit a short article with photo covering the event.

AGREED Publication for end of July, delivery by beginning of August. Main article to cover the Coronation event, and front cover to launch the Photography Competition.

ACTION JLD to circulate list of articles, page plan and provide for front cover art work; Clerk to produce for print.

87 EVENTS WORKING GROUP

AGREED Events working group to comprise DK (Chair), MA, NU (the latter to be confirmed).

ACTION Working group to meet between Parish Council meetings; to provide initial report with recommendations to the July meeting.

<u>Gallagher for insurance</u> – Requote received of £904.65 to include Speed Indicator Device under Fixed Outside Equipment (increase from £894.79). Quote agreed for renewal.

- **Accounts to date** noted, at **APPENDIX IV**. Reconciliation to date = £144,794.59
- .3 Budget and latest estimate noted, at APPENDIX V.

.4 Grant funding

- i <u>County Councillor devolved budget</u> now open for general applications. Clerk to submit grant request for further funding needed to install the Silent Soldier.
- ii <u>BDBC Community Infrastructure Fund</u> now open for grants from £5K to £50K for physical improvements to premises; this could include contributions to larger projects where the additional funding is already in place. Initial project proposals by midnight 30 July. www.basingstoke.gov.uk/infrastructurefund.
- NOTED that while the Community Centre has S106 funding to spend it cannot apply for further project funding.
 - iii Parish Council budgeted provision for grant funding small community projects. To be promoted in the Summer *Reporter*.

.5 Insurance renewal

CONFIRMED insurance renewal via Gallagher (Hiscock Policy) as per 88.1 above for three-year tie in. FOR CONSIDERATION at next year's renewal – the Sherborne Fields allotment perimeter fencing which is presently insured for £40K at cost of c£100 per annum.

89 UPDATE ON CURRENT PROJECTS

- **Replacement guard rail** Now complete as far as BDBC and their contractors are concerned. The contractors have returned and rectified some but not all issues.
- AGREED Overall an excellent project but marred by a rushed completion and poor finishing in some parts by subcontractors.
- ACTION Chairman with support from DH to review all the guard rail and liaise with BDBC over any remaining issues.

.2 Silent Soldier

Installation (As previously confirmed the site not covered by Highways' Rights.) Option 1. Revised quote for spec as below = £1,421.00 + VAT.

Spec – To excavate for and form a 100mm (33/4in) thick concrete base, approximately 1m x 1m, to which we would then create the plinth by installing four (square) courses of horizontal brickwork x one course high, then install a brick on edge on top of that course and within that brickwork we would fill them with trowelled concrete, thus creating a 700x700mm plinth for the statue to be bolted to. Once the concrete has cured sufficiently, to assemble and bolt down the statue and reinstate around the plinth with topsoil and grass seed. This method would require three separate visits.

Option 2. Alternative quote to construct the plinth in concrete only, with no brickwork to the perimeter of the plinth, revised cost = £1,158.00 + VAT.

This includes the bolting of the statue to the plinth and would require two visits in all.

<u>Discussion points</u> To make the most of the siting of the soldier. There is a lot of relevant history in this area. If creating a focal point for commemoration, worth doing it properly. Good to have a raised bricked-edged surface to lay wreaths.

- AGREED The soldier to be installed on a raised plinth with a course of brickwork and brick edging as per Option 1 @ £1,421.00 + VAT.
- AGREED Rocon Contractors to be instructed to carry out the work. Discussed and agreed that of potential contractors they have the most relevant experience.
- PROPOSAL A Remembrance gathering to lay a wreath. Noting added benefit of another national commemoration event to draw the community together. For Autumn *Reporter*.
 - **ii Solar lighting** Revised suggestion for 'Pro Solar Solspike' https://www.lumenalights.com/shop/product/solspike-solar-spotlights-with-ground-spike-3/
 - iii | Plaque Agreed to display an acknowledgement plaque; wording and materials tbc.
 - .3 Queen's Green Canopy tree planting Awaiting BDBC engineers report re SUDs.

.4 | Main Hall update

- i. Phone call with owners Galamast 19 June confirmed there are outstanding issues re signing off Building Regs for the Main Hall. Galamast is using NHBC for Building Control. It seems the building regs application is part of the original Taylor Wimpey (Taylor Woodrow) Initial Notice for 'Park Village'.
- ii. Phone calls for information and advice with surveyor (previously instructed by the Parish Council September 2020 to survey and report on the Main Hall). Surveyor confirmed his recommendation and willingness to make a further site visit (full report not required).
- iii. Email sent to Galamast (20 June) requesting a further site visit, and to reopen discussion on Draft Heads of Terms, so ready to proceed as soon as Building Regs in place.

ACTION | Draft Heads of Terms – for a Project Working Group to review and report.

90 ALLOTMENTS UPDATE

ACTION Allotment committee to arrange site visit for both allotment sites

NOTED Re provision of Veolia compost – to advise Gordon Wade (BDBC) when required.

91 PLANNING

- .1 No new applications for consideration
- Appeal 23/00006/REF (Received 01 Feb 2023, Status Valid, no start date as yet) 21/01473/FUL (Refused BDBC 12 Aug 22) Unit 2, Greenlands Road Basingstoke RG24 9RD. Change of use of ground floor unit to mixed use Class A1/A3/A5 to allow hot food takeaway. Installation of duct to west and south elevations and internal alterations. (Noted 15 public objections, 13 supporting.)

92 FURTHER UPDATES / REPORTS

• Squirrel Wood signage – see Reports at 83.3. The development is nearing completion which should involve removing all the new development advertising and direction signs. There is thought to be a list of all the signs.

ACTION | Chairman to check and confirm re list of developer signage.

Review of social media An action from last year not yet initiated.

AGREED MA to lead on a Social Media Review project supported by the Chairman ACTION Teams meeting to consider and report.

- **Car park on Peggs Way** Email from Taylor Wimpey regarding unroadworthy cars parked at the car park; Homes England are still the land owner, they will need to serve notice.
- Revised model Code of Conduct (LGA/BDBC) To consider for adoption.
 Background In March 2022 BDBC approved a revised Code of Conduct for Councillors (based on LGA Model Code of Conduct), implemented in BDBC following elections May 2022.
 Email circulated to Parish Councils together will a flowchart on interests as per LGA Guidance and 'Social Media Guidance for Councillors' also approved by BDBC.

Not compulsory for the Parish Councils to adopt the updated Code of Conduct, but encouraged as 'there are merits in achieving consistency'. The Chairman confirmed this new Code not materially different from the present Code adopted by the Parish Council.

ACTION | Clerk to circulate the March 2022 email from BDBC.

NOTED | This a question for, and for recommendation by, the HR Committee.

<u>Code of Conduct is based on Nolan Principles of Public Life</u> – Selflessness – Integrity – Objectivity – Accountability – Openness – Honesty – Leadership. **APPENDIX V**.

Street traders / mobile food vans Bartletts – who provided a hot food van for the Coronation event – has a street trading licence and is interested in taking a pitch (possibly an evening per week) outside the Community Centre. Feedback that the car park is BDBC owned so this isn't a question for the CC. The present permission is for one night per week and the slot is already taken. Comment that the car park is generally too small.

93 NEXT MEETINGS

APPENDIX I - HAMPSHIRE COUNTY COUNCILLOR UPDATE - 26 June 2023

Cllr Arun Mummalaneni

Foot Bridge lighting works Works are going ahead as per plan. As per the officer, the pillar installation and connection is due to be done on 28 June. Once all the control gear has been fitted, we can move on to the installation of the LED handrail. Plan at **APPENDIX II**.

Squirrel Wood - Runoff into the footpath-tunnel under Ringway North

Following recent flash rains, there was some runoff observed, although fortunately, it did not result in long duration flooding. However, the area did require cleaning as a result. Councillor How promptly alerted the Hampshire Bridges team, and in response, the developer swiftly undertook the necessary cleaning measures and ensured the underpass was made accessible again without delay.

Nonetheless, it remains a cause for concern that runoff from the site continues to occur. To address this issue, the Hampshire engineering team will be conducting an investigation to determine the source of the runoff. Unfortunately, this investigation will necessitate waiting for the next occurrence of rainfall.

Rest assured, with the help of Cllr How I am committed to identifying and rectifying the underlying cause of the runoff. By undertaking this investigation, they aim to find a long-term solution that will mitigate the occurrence of runoff and ensure the proper functioning of the site even during adverse weather conditions.

Bin request I have been persistently pursuing the matter of acquiring a new bin for this area from Basingstoke & Deane Borough Council (BDBC). In response to my request, the BDBC team promptly dispatched their cleansing team to clear the area. They have assured me that they are actively monitoring the situation. Moreover, they are actively exploring two potential solutions: a) relocating an existing bin, or b) installing a new bin based on the volume of litter generated. I anticipate a resolution on this matter to be presented by our next meeting.

Avenue Adaption update Regrettably, there seems to be a delay in the processing of the legal paperwork by the HCC legal team. I must express my disappointment in not receiving any updates from the relevant officer regarding this matter. In light of this, I have taken the step of escalating the issue to the portfolio holder and the esteemed Hampshire Chief Executive. I sincerely apologise for any inconvenience caused to our residents, and I want to assure you that I am actively taking all necessary measures within my capacity to expedite the adoption of this road as swiftly as possible.

Hospital update Maria Miller MP is organising an update on New hospital proposal on 6th July 2023 at 18:00hrs from Rooksdown Community Centre. Please register for this event and encourage residents to attend. Here is the registration link.

Community Chat: New Hospital For Basingstoke Tickets, Thu 6 Jul 2023 at 18:30 | Eventbrite

Underage Vaping Expressing deep concern over the recent surge in underage vaping within our school, I have taken action by raising awareness through local media. A press article titled "Councillor Mummalaneni concerned over underage vaping" has been published in the Basingstoke Gazette, outlining the urgency of this issue. Additionally, Sky News featured an alarming news item titled 'E-cigarettes: Primary school age children are ending up in hospital due to excessive vaping.' I urge my fellow parish colleagues to join me in bringing awareness to the dangers of vaping in our community.

You can find press articles here Councillor Mummalaneni concerned over underage vaping | Basingstoke Gazette.

E-cigarettes: Primary school age children are ending up in hospital due to excessive vaping | UK News | Sky News.

Car meets and racing The prevalence of car meets and illegal racing on the ring road, particularly near the A339, continues to be a growing concern for residents. It is unfortunate that our town's well-designed ring road infrastructure inadvertently facilitates such antisocial events. The local police are aware of this issue, and at the request of our chairman, Cllr Mahoney, I have sought a formal update from the police chief. I am committed to relaying the response as soon as I receive it.

In the meantime, there is some positive news to share. One of the CSPO officers informed me that they are in the process of procuring a new speed camera and providing additional training to officers. When these measures are in place, we can expect better adherence to traffic regulations and improved behaviour. It is frustrating that the presence of law enforcement officers is necessary for everyone to behave responsibly.

Furthermore, I recently met with the Office of the Police and Crime Commissioner (OPCC), and they have assured me that by April 2024, each area will have a dedicated police officer assigned to address local concerns. This means that we will have a specific point of contact for all our community issues. Additionally, the OPCC has made a commitment to allocate an additional 50 police officers to Hampshire. I am consistently advocating for increased visibility of police personnel on our streets..

Pot holes A brief update regarding the ongoing issue of potholes in our division. I am pleased to inform you that many of the serious potholes in our area have been temporarily fixed. However, it is important to note that this is NOT a permanent solution.

Due to the unprecedented demand and the urgency to address the most severe potholes, our engineering team has made the decision to prioritize quick fixes. According to their assessment, they can temporarily fix approximately seven potholes instead of focusing on permanent repairs. While this approach may lead to some inconvenience, such as road closures, it is necessary to ensure the safety of road users.

I understand the concerns raised by residents regarding the temporary nature of these fixes and the potential for additional work in the future. Rest assured, the engineering team is actively working on more permanent solutions to address the remaining potholes in our division. These permanent fixes will provide longer-lasting results and minimize the need for future repairs.

As ever, please do report potholes at

APPENDIX VI – NOLAN PRINCIPLES OF PUBLIC LIFE

- Selflessness Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.
- Integrity Holders of public office should not place themselves un der any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.
- Objectivity In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.
- Accountability Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.
- Openness Holders of public office should be as open as possible about all the decisions and actions they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.
- Honesty Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.
- Leadership Holders of public office should promote and support these principles by leadership and example.
