

**Parish Council meeting – 28 October 2024**

**Item 24/145** To accept update from the Police/PCSO/CSPO

---

Notice of ongoing dispute between families living in the vicinity Castle Hill Primary School (Rooksdown Campus). This includes alleged Public Order incidents, drug use, verbal disputes and harassment which has been ongoing for several months.

Local police are engaged in working with BDBC, Castle Hill School and our Housing Authority partners to resolve this issue, however since this is a problem visible to the wider community, I would encourage reports to be made to Hampshire & Isle of Wight Constabulary and any queries directed to [tom.richards@hampshire.police.uk](mailto:tom.richards@hampshire.police.uk).
